2013-12-17 Alif had never set foot outside of West Sumatra. He passed his childhood days searching for fallen durian fruit in the jungle, playing soccer on rice paddies, and swimming in the blue waters of Lake Maninjau. His mother wants him to attend an Islamic boarding school, a pesantren, while he dreams of public high school. Halfheartedly, he follows his mother's wishes. He finds himself on a grueling three-day bus ride from Sumatra to Madani Pesantren (MP) in a remote village on Java. On his first day at MP, Alif is captivated by the powerful phrase *man jadda wajada*. He who gives his all will surely succeed. United by punishment, he quickly becomes friends with five boys from across the archipelago, and together they become known as the Fellowship of the Manara. Beneath the mosque's minaret, the boys gaze at the clouds on the horizon, seeing in them their individual dreams of far-away lands, like America and Europe. Where would these dreams take them? They didn't know. What they did know was: never underestimate dreams, no matter how high they may be. God truly is The Listener. The Land of Five Towers is the first book in a trilogy written by

2018-02-27 In this riveting, heartfelt debut, a young woman assumes a new name to escape her dark past and find the redemption she desperately seeks. “It’s impossible not to root for this strong, willful girl as she finds her place in the world and for her brother as he tries to make sense of it.”—Kirkus Reviews “Charming, touching, and a host of other adjectives not often associated with a murderous thirteen-year-old.”—Booklist Venus Black is a straitlaced A student fascinated by the study of astronomy—until the night she commits a shocking crime that tears her family apart and ignites a media firestorm. Venus refuses to talk about what happened or why, except to blame her mother. Adding to the mystery, Venus’s developmentally challenged younger brother, Leo, goes missing. More than five years later, Venus is released from prison

with a suitcase of used clothes, a fake identity, and a determination to escape her painful past. Estranged from her mother, and with her beloved brother still missing, she sets out to make a fresh start in Seattle, skittish and alone. But as new people enter her orbit—including a romantic interest and a young girl who seems like a mirror image of her former lost self—old wounds resurface, and Venus realizes that she can’t find a future while she’s running from her past. 2018-08-21 A fearless debut memoir in which beloved and bestselling How to Raise an Adult author Julie Lythcott-Haims pulls no punches in her recollections of growing up a biracial black woman in America “Courageous, achingly honest. —Michelle Alexander, New York Times bestselling author of The New Jim Crow: Mass Incarceration in the Age of Colorblindness “A compelling, incisive and thoughtful examination of race, origin and what it means to be called an American. Engaging, heartfelt and beautifully written, Lythcott-Haims explores the American spectrum of identity with refreshing courage and compassion.” —Bryan Stevenson, New York Times bestselling author of Just Mercy: A Story of Justice and Redemption A fearless debut memoir in which beloved and bestselling How to Raise an Adult author Julie Lythcott-Haims pulls no punches in her recollections of growing up a black woman in America. Bringing a poetic sensibility to her prose to stunning effect, Lythcott-Haims briskly and stirringly evokes her personal battle with the low self-esteem that American racism routinely inflicts on people of color. The only child of a marriage between an African-American father and a white British mother, she shows indelibly how so-called micro aggressions in addition to blunt force insults can puncture a person's inner life with a thousand sharp cuts. Real American expresses also, through Lythcott-Haims’s path to self-acceptance, the healing power of community in overcoming the

hurtful isolation of being incessantly considered the other. The author of the New York Times bestselling anti-helicopter parenting manifesto How to Raise an Adult, Lythcott-Haims has written a different sort of book this time out, but one that will nevertheless resonate with the legions of students, educators and parents to whom she is now well known, by whom she is beloved, and to whom she has always provided wise and necessary counsel about how to embrace and nurture their best selves. Real American is an affecting memoir, an unforgettable cri de coeur, and a clarion call to all of us to live more wisely, generously and fully. Real American expresses also through Lythcott Haims s path to self acceptance the healing power of community in overcoming the hurtful isolation of being incessantly considered the other
