2011-10-04 A New York Times–bestselling account of the next great economic era, with a look into the individuals pioneering its implementation around the world. One of the most influential social thinkers of our time reveals how Internet technology and renewable energy are merging to create the new jobs of the twenty-first century and change the world. In *The Third Industrial Revolution*, Jeremy Rifkin

takes us on a journey into a new economic era where hundred of millions of people produce their own green energy in their homes, businesses, and factories and share it with each other on an “energy Internet.” Rifkin’s Third Industrial Revolution vision has been taken up by the European Union and China and endorsed by the United Nations. In this book, the author goes behind the scenes to meet the heads of state, global CEOs, social entrepreneurs, and NGO leaders who are pioneering the new economic paradigm. Praise for *The Third Industrial Revolution* “Jeremy Rifkin argues that green energy and the internet will revolutionize society and the environment . . . With the European Union already on board, this is a big idea with backbone.” —*Nature* “Impeccably argued . . . a compelling and cogent argument to overhaul our society and economy in favor of a distributed and collaborative model.” —*Publishers Weekly* In this book the author goes behind the scenes to meet the heads of state global CEOs social entrepreneurs and NGO leaders who are pioneering the new economic paradigm

2014 Some people wait decades to meet their soul mate. Courtney Kaufman suspects she met hers in high school--only to lose him at seventeen. Since then, Courtney's social life has been a series of meaningless encounters, though she's made a few close friends along the way. Especially her roommate, Max Cooper, who oozes damaged bad-boy vibes from every pore. Max knows about feeling lost--he's been on his own since

he was sixteen. Now it's time to find out if he can ever go home again, and Courtney's the only one he trusts to go with him. But the trip to Providence could change everything.... It started out so simple. One misfit helping another. Now Max will do anything to show Courtney that for every heart that's ever been broken, there's another that can make it complete. Some people wait decades to meet their soul mate
